Date:

Dear Parents:

Each year new prayers are added to the list of prayers each grade is to learn. We had prayer testing in the classroom last week and below are the results of your child's progress. We test each year all the prayers your child is to know up to their grade level. (As listed in the handbook you recieved last fall). Please review your child's progress and if your child needs more practice please work with them and we can review prayers again in 3-4 weeks. Adding prayers to meal time or night time routine has proven to be of great help. If you have an questions please feel to contact me at the number below or our Director of Religious Education, Kathy Chlan @ kathyc@holycrossschool.net or at the office on Tues., and Wed. mornings at 952-461-2403 ext. 3

Sincerely,

2013 - 2014 Prayer Testing Records for LNMV Religious Education

X= Knows well N = Needs more practice Blank = not tested
